

STUDENT ACTIVITY OVERVIEW IN SINGLE COURSE REPORT

Blackboard Learn

The Student Overview Report displays an individual student's activity within your course, sorted by date. Data includes the total overall time a student spent in your course as well as detailed information about a student's activity, such as which items and content areas a student accessed and the time spent on each. Use this report to check a particular student's course activity.

- This report can only be run on students who are *currently* enrolled in the course.
- For best performance in generating reports, we recommend using Google Chrome or Firefox as your browser.

RUNNING THE REPORT

1. In your course's **CONTROL PANEL**, click on the **EVALUATION** menu. From the expanded list of options, click **COURSE REPORTS**.
