

Edit Mode

Blackboard - Getting Started

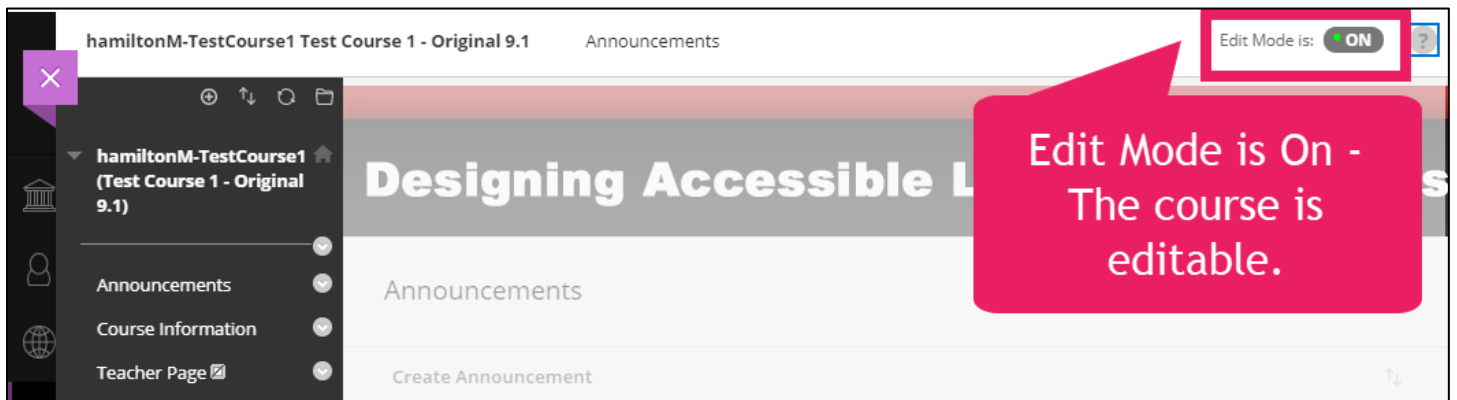

Instructors can add, delete, re-arrange, or edit course content only when “Edit Mode” is turned on in the course. Clicking the “Edit Mode” icon in the top-right corner of the course toggles “Edit Mode” on or off.

Edit Mode is: ON

When “Edit Mode” is on, tools for adding, deleting, or moving content will be available to the instructor.

Edit Mode is: OFF

When “Edit Mode” is off, the tools for adding, deleting, or moving content will disappear from view.

A screenshot of the Blackboard course interface. The top navigation bar shows the course name "hamiltonM-TestCourse1 Test Course 1 - Original 9.1" and the "Announcements" section. In the top right corner, the "Edit Mode" toggle is set to "ON" and is highlighted with a red box. A large pink callout box with white text says "Edit Mode is On - The course is editable." The main content area displays the title "Designing Accessible L" and a list of announcements with a "Create Announcement" button at the bottom.
