

# EDIT MODE

## Blackboard - Getting Started

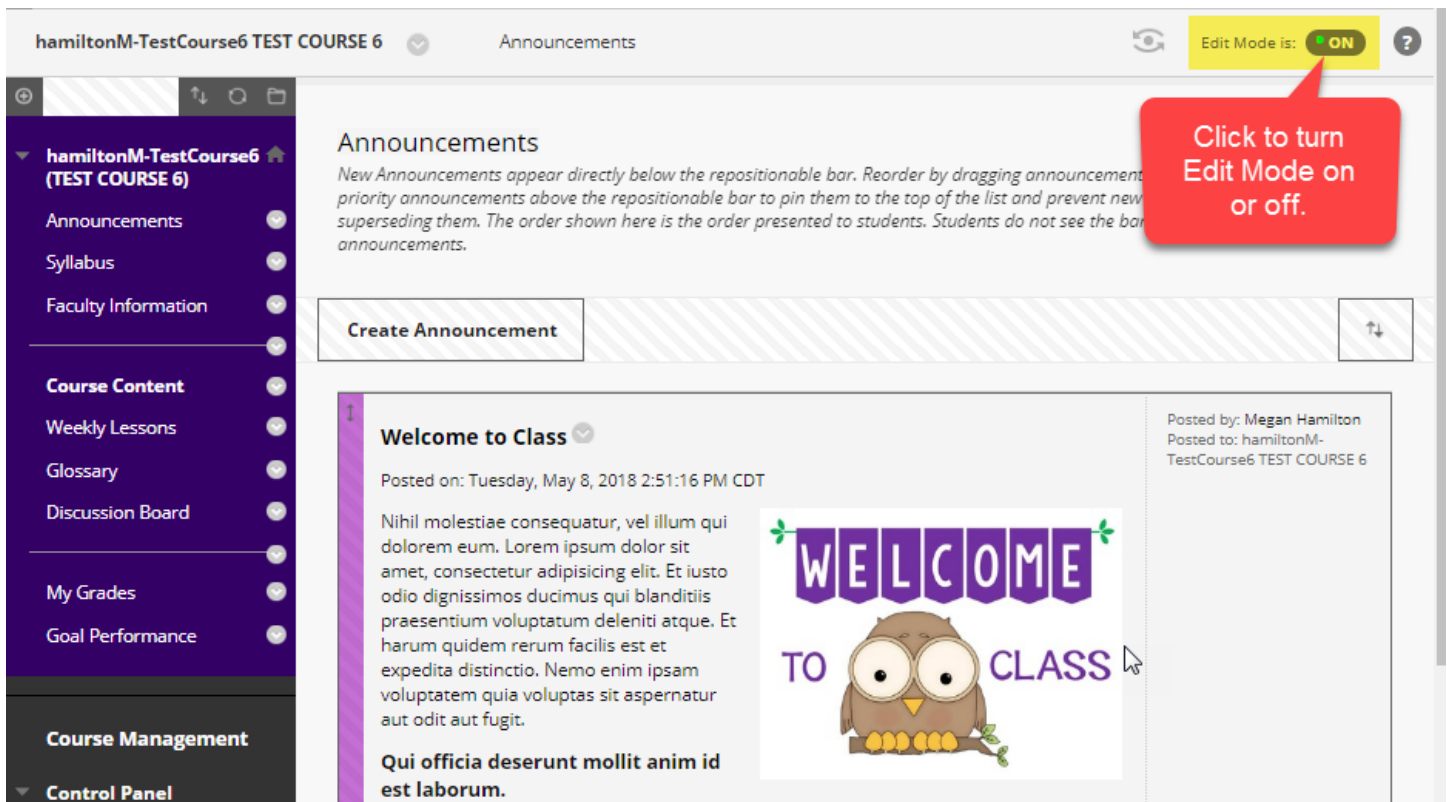

Instructors can add, delete, re-arrange, or edit course content only when “Edit Mode” is turned on in the course. Clicking the “Edit Mode” icon in the top-right corner of the course toggles “Edit Mode” on or off.

Edit Mode is: 

When “Edit Mode” is on, tools for adding, deleting, or moving content will be visible to the instructor.

Edit Mode is: 

When “Edit Mode” is off, the content editing/managing tools will disappear and the course will visually display to the instructor as the course appears to students.

The screenshot shows the Blackboard course interface for 'hamiltonM-TestCourse6 TEST COURSE 6'. In the top right corner, the 'Edit Mode' toggle is set to 'ON'. A red callout box points to this toggle with the text: 'Click to turn Edit Mode on or off.' The main content area displays an 'Announcements' section with a 'Create Announcement' button. Below this is a 'Welcome to Class' announcement posted on Tuesday, May 8, 2018, at 2:51:16 PM CDT. The announcement text includes a placeholder Lorem Ipsum and a 'Qui officia deserunt mollit anim id est laborum.' The announcement features a graphic with the text 'WELCOME TO CLASS' and an illustration of an owl. The left sidebar shows the course navigation menu with categories like 'Course Content', 'My Grades', and 'Course Management'.
