Instructors can add, delete, re-arrange, or edit course content only when “Edit Mode” is turned on in the course. Clicking the “Edit Mode” icon in the top-right corner of the course toggles “Edit Mode” on or off.

- **Edit Mode is: ON**
  - When “Edit Mode” is on, tools for adding, deleting, or moving content will be available to the instructor.

- **Edit Mode is: OFF**
  - When “Edit Mode” is off, the tools for adding, deleting, or moving content will disappear from view.

**Edit Mode is On - The course is editable.**
