

Faculty Guide to Blackboard Instructor

Mobile Technology

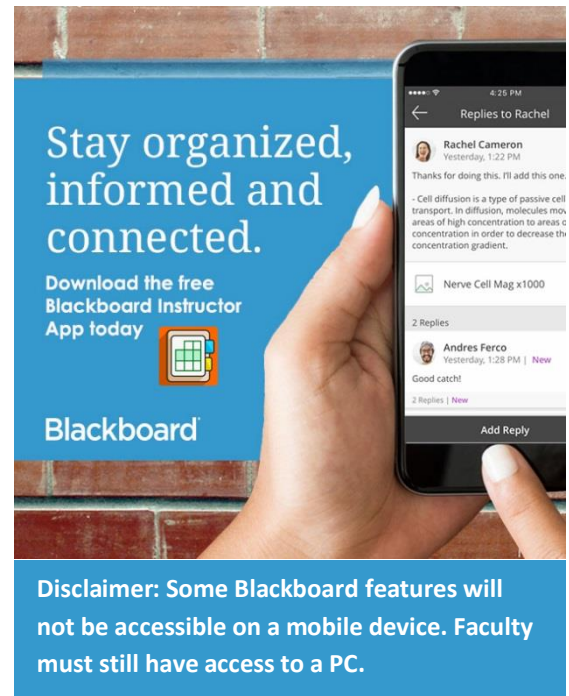

Faculty Support
eLearning

Faculty may download the free **Blackboard Instructor App**, to an [Apple iOS 9.0+](#) or [Android 4.2+](#) mobile device to:

- Preview course content and assessments
- Send simple announcements
- Participate in discussions and Collaborate Ultra sessions

Grading is not yet available but will be coming in a future update. See these resources for more information:

First-Time Login

When the app is open, search for the school by name in the provided text-field. Then, click the "Web Login" button to log in with your MATC network username and password.

Resolving Login Problems

If you can't log into Blackboard *only* when using the app, delete and reinstall the app. If you still can't log in, contact the app support team using the [online form](#).

If you can't log into Blackboard *at all* when using a web browser *or* app, call the MATC Help Desk at 414-297-6541.
